**Transformers Prime The Game Pc Free [REPACK] Download Full Version**

**Download**

---

Help Optimus Prime and the AUTOBOTS join forces with their human friends Jack, Miko, and Raph to save Earth from Megatron and his new secret weapon. Play as one of the.. This is not just another hero game, this is a really cool game that has become not only a hit, but also a real legend. An exciting, driving story in which you need to save the world, and at the same time, your beloved planet. . . It was love at first sight, the

---

game was among the first that I bought, and to be more precise, it was the first, but not the only one. . . It was after this game that I became a fan of the Autobots and love them very much. . . It was because of this game that I first watched Transformers. . .
